

GPC System Ltd Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' (PII) is being used online. PII, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our apps and website.

What personal information do we collect from the people that visit or use our website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your email address or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site, fill out a form, Open a Support Ticket or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To personalize your experience and to allow us to deliver the type of content and product offerings in which you are most interested.
- To allow us to better service you in responding to your customer service requests.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.

How do we protect your information?

We do not use vulnerability scanning and/or scanning to PCI standards.
We only provide articles and information. We never ask for credit card numbers.
We use regular Malware Scanning.

We do not use an SSL certificate

Do we use 'cookies'?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We use cookies to:

- Understand and save user's preferences for future visits.
- Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third-party services that track this information on our behalf.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If you turn cookies off, Some of the features that make your site experience more efficient may not function properly. It won't affect the user's experience that make your site experience more efficient and may not function properly.

Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information.

Third-party links

We do not include or offer third-party products or services on our website.

Does our site allow third-party behavioral tracking?

It's also important to note that we do not allow third-party behavioral tracking

COPPA (Children Online Privacy Protection Act)

When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under the age of 13 years old.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

We will notify you via email

- Within 28 business days

CAN SPAM Act

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to:

- Send information, respond to inquiries, and/or other requests or questions
- Market to our mailing list or continue to send emails to our clients after the original transaction has occurred.

If at any time you would like to unsubscribe from receiving future emails, you can email us at

ask@gpcsl.com and we will promptly remove you from **ALL** correspondence.
